Head Start Green Machine!

If you are located at the Mitchell 500 West Main Street building, you have probably noticed the GREEN MACHINE parked in the parking lot. This is an old bus decked out bright green and in a frog theme, that Head Start and Early Head Start will use as a recruitment tool. We will be traveling to events in the area to sign families up for Head Start services. If you know of a parade, festival, or event, please let Kris Mathews know at kmathews@hoosieruplands.org.

Save the Date for Safe Night 2017!

Save the date, Safe Night 2017 will be on June 10th at the Lawrence County Fairgrounds from 6-10 PM. Safe night is a drug, alcohol, and tobacco prevention event that also focuses on overall healthy living. This year's event will include airbrush face painting, a magic show, t-shirt tie-dyeing, inflatable games and obstacle courses, hot dogs and chips, ice cream, snow cones, popcorn, and much, much more.

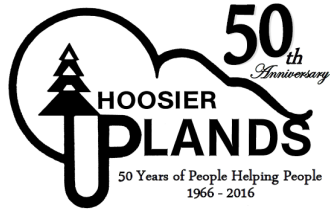

As always, admission, food, treats, and all activities are completely free. We are still accepting booth requests for anyone that might be interested! If you are interested in having a booth at this year's Safe Night, please contact Emily Calvin at 812-849-4447 ext. 345 or by email at:

ecalvin@hoosieruplands.org.

New 21st CCLC Program Sites!

Hoosier Uplands has been awarded grant funding through the Indiana Department of Education to provide academic enrichment afterschool services through the 21st Century Community Learning Centers Grant funding. The program will continue to operate at Fayetteville, Mitchell, Springs Valley, and West Washington with the addition of Orleans and Shoals Elementary with the new funding. We are currently accepting applications for Shoals and Orleans. If you know someone that might be interested, contact Whitley Clements for a registration packet, 812-849-4447 ext. 318 or wcllements@hoosieruplands.org.
