

Marie Cole: she stays cool under a lot of pressure.

Marie Cole: always has a positive attitude and is supportive of her co-workers. She has had quite a few curves thrown at her and she is still able to smile and support others in their daily struggles.

Marie Cole: got a tough job as the scheduler and trying to make everybody happy. She's super nice every time I talk to her. If something comes up, she tries to work with you to get your people covered. Marie is a great person.

Marie Cole: she is always positive and keeps people in a good frame of mind.

All of our RN's, LPN's, Therapists and Aides: They're giving care ensures that HU is the best in Home Health/Hospice in Southern IN.

All the bosses in the different departments. It takes us all to make Hoosier Uplands what it is today.

Lee Grimes: is "always doing some kind of work."

JoDeana McNabb: she never complains and works very hard.

Melissa Jeremiah, RN: keeps us up to date on new laws/regulations. Keeps the company competitive. Keeps us going in the right direction.

Melissa Jeremiah: continues to educate herself on regulations and policies by remaining active in IAHC and NAHC. She has afforded us consistent leadership in a viable business.

Judi Taylor: she loves and cares well for all her patients.

Judi Taylor: because she always goes beyond the call of duty to help her patients!
