

Safe Sleep for Website

In 2016, Hoosier Uplands began implementing the Indiana Safe Sleep Program in Crawford, Lawrence, Martin, Orange, and Washington counties. The Indiana State Department of Health, in collaboration with the Department of Children's Services and a partnership with the Cribs for Kids National Infant Safe Sleep Initiative, implements a statewide program that provides education and infant survival kits to infant caregivers and families. The survival kits contain one infant Pack 'n Play portable crib, fitted sheet with imprinted safe sleep messaging, a wearable blanket, a pacifier, and safe sleep recommendations for those in need of a safe place for their child to sleep. Please contact Nichole May if you are in need of a safe place for your child to sleep, 812-849-4447 or nmay@hoosieruplands.org.
