## Mission Statement

---

The mission of Hoosier Uplands, is to plan, implement or cause to be implemented, and provide comprehensive services to the poor, elderly, and disabled. The corporation strives to alleviate poverty, improve living conditions, and provide access to health care and social services to those families and individuals in need within our service area. All endeavors are pursued with the client in mind, never forgetting the value of every human being or the importance of our responsibility to the public which we serve.

A white calendar card for the month of February is placed on a wooden surface. The word "February" is written in a red cursive font at the top. Below it is a grid of dates. The date "14" is circled in red. To the right of the calendar card is a brown envelope. Two red, metallic-looking hearts are placed on the wooden surface, one near the envelope and one near the bottom of the calendar card.

Agape Kids House is a non-profit organization that provides emergency transition for children entering foster care. Serving Lawrence, Orange, and Monroe counties Agape also provides supplies and resources for foster and kinship families.

Since opening for operation in 2022 Agape has been able to serve nearly 250 children. In the fall of 2024, we were able to purchase our forever home. Through generous donations and fundraisers, we were able to pay \$80,000 on the new house and are borrowing the rest. We are asking for the support of the communities we serve to help us pay off the remaining amount owed, make needed updates to the home, and/or volunteer to provide services .
